By signing, the buyer agrees to the following:

1. Your Masterpiece Ragdoll kitten has been vaccinated on with a Feline Viral Rhinotracheitis, Calcivirus, and Panleukopenia (FVRCP) modified live virus vaccine. You agree to visit your veterinarian for other core and optional vaccines.
2. This Masterpiece Ragdoll kitten is not to be declawed. We encourage you to place scratching posts throughout the areas of your home where you spend the most time. Your kitten will most likely want to be wherever you are.
3. This Masterpiece kitten is spayed/neutered and cannot be used for breeding.
4. Your Masterpiece Ragdoll kitten comes with TICA registration; buyer is responsible for the transfer of registration from Masterpiece Ragdolls by logging on to <https://online.tica.org>.
5. Your Masterpiece Ragdoll kitten is not to be resold. You agree to contact Masterpiece Ragdolls for assistance in rehoming in lieu of burdening a local shelter.
6. If this Masterpiece Ragdoll kitten should die of FIP within one year of its birth date, it will be replaced after proof is provided, in the form of a necropsy report. No veterinary bills will be refunded.
7. This Masterpiece Ragdoll kitten is guaranteed negative for Feline Aids (FIV) and Leukemia (FeLV) at the time of leaving this cattery. (S)he is guaranteed negative for PKD and HCM. If your kitten is diagnosed with any testable (Wisdom Panel) genetic defect within five years, and passes as a result of this defect, Masterpiece Ragdolls agrees to replace kitten/cat.
8. Buyer agrees to contact breeder in the event he/she is dissatisfied for the purposes of resolution.
9. All allergies are the responsibility of the purchaser. All kittens are final sales unless other agreements have been made.
10. This Masterpiece Ragdoll kitten has been weaned onto Life's Abundance dry food. A sample has been included in your "kitty bag."
